PRESS RELEASE

Local Female Entrepreneur Launches New Executive Search Firm in Windsor-Essex

Windsor, ON – Local entrepreneur, Jennifer Charron is launching Logic Executive Search and Workplace Solutions to help organizations in Southwestern Ontario with their professional and executive recruitment needs. The search firm launches on **September 21, 2020**.

With over 14 years of experience in professional and executive recruitment in Ontario, Jennifer has a deep understanding of the community and the local job markets it serves. Her extensive knowledge of the challenges and opportunities of sourcing the right candidate makes her uniquely qualified in finding the right candidate, the first time around.

Understanding the complexities of recruitment can be an intimidating endeavour for organizations, but Jennifer believes there is no need to go at it alone.

"Finding great candidates can be a challenge, especially while trying to navigate through this COVID-19 pandemic," says Jennifer Charron, President and CEO, Logic Executive Search and Workplace Solutions. "Having an Executive Recruitment Partner who has an extensive network of candidates, defined recruitment process and transparent communication is essential for clients looking to find crucial talent to help their businesses prosper."

In addition to executive recruitment, Logic Executive Search and Workplace Solutions will provide businesses with a wide range of services including Outplacement Services to help former employees transition to new jobs, and a Dual Career Program that helps relocated employees and their partners successfully integrate into the community. Logic Executive Search and Workplace Solutions has a community focused approach with a national reach to identify and attract professionals throughout Ontario.

Jennifer has been actively involved in the Windsor-Essex community through Rotary, The Chamber of Commerce and the Jewish National Fund. She is an award recipient at the Windsor-Essex Regional Chamber of Commerce Business Excellence Awards, winning Young Professional of the Year in 2016.
